Harmless to Flush Kidneys and Neu-

trailize irritating Acids

Kidney and Biadder weakness result from unic acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning scalding sensation, or setting up an irritation at the neck of the bladder obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again there is difficulty in avoiding it.

Bladder weakness, most folks call unces of Jad Salts from your pharmicist and take a tablespoonful in a rallies.

Aunt Jane's Advice

"Oh, dear," sighed the young housewife. "I have so much trouble in finding really good butter."

"Yes, I know how it is. We always had that difficulty till I discovered Benefit Brand Sweet Nut' at the Direct Importing Co.'s yellow front store, 157 Main St. where Benefit Brand Teas. Coffees and Grocery Specialties are retailed at wholesale prices."

"Why, that's a kind of oleomargarine! You wouldn't serve that, would you, Aunt Jane?"

"You seemed to like it the day you lunched at my house." said Aunt Jane with a twinkle in her eye.

"Why, yes, it was delicious! You don't mean to tell me that was your "Sweet Nut."

"It certainly was—it's better than most butter and it costs only 32c a pound. Of course, they put the name oleomargarine on the package, but that law was passed before Sweet Nut was invented, and there is no animal fat in it."
